Purpose of this document

In order to facilitate safe practice in transporting children/young people (CYP) and on occasion's parents/carers in connection with all Aspired Futures (AF) activities, including transport required for external outings.

Details of Policy

Principles

- All CYP will normally be transported to and from all provision by AF core team members in the AF leased vehicle and core team member's personal vehicles.
- Transporting of CYP is the rule; parents/carers are only allowed to transport their own CYP in to the provision if it is pre-arranged with the Children and Young People Assessment and Inter-Agency Manager (CYP Manager), Service and Volunteer Manager (SV Manager) and Lead Sessional worker. AF also has a number of CYP that have prearrangements with schools for education transport to drop off.
- On the occasions when staff members are asked to transport passengers in their own vehicles they are responsible for the safety and roadworthiness of the vehicle in question. They must always be a First Aid Kit, tissues and wipes in the car kept in the AF leased vehicle.
- For the staff members who are asked to drive it is compulsory that all specified driver documentation is up to date and details logged and stored in the AF main office electronically – documents include MOT, Insurance (*showing vehicle insured for work use*) and Drivers Licence. These must be provided for checking every twelve months, without this documentation they will not be allowed, under any circumstances, to transport CYP.
- All documentation for the AF lease vehicle including the insurance policy and breakdown contact number plus a first aid kit are held in the glove compartment. Service checks are carried out on the vehicle as specified within the lease agreement.
- The CYP Manager must ensure that parents/carers of the CYP to be transported have understood and signed the Transportation of Children Parent/Carers Agreement form as part of the AF provision (Appendix 1) and where appropriate complete a Multiple Address Confirmation Record (Appendix 2).
- Parents/carers who refuse to sign the agreement or when CYP behaviour is deemed unacceptable during a journey may be refused transportation in the future. This decision may be reviewed where well-being could be affected by the decision not to transport that CYP. Individual staff members will always be able to exercise a choice about whether or not to transport CYP and parents/carers in their own vehicles.
- All CYP transported by AF will be asked to sign the CYP Transport Agreement (Appendix 3), a copy will be kept in a separate transport agreement folders. AF also has a Local Working Instruction for staff members for transporting CYP.

- The current legal government requirements can be read at www.gov.uk/child-car-seats-the-rules/using-a-child-car-seat-or-booster-seat
- Drivers must ensure compliance with these requirements when transporting CYP and parents/carers. If child seat, booster cushions or booster seats are needed it is your responsibility to ensure you ask to use the AF seat/cushions which are at the staff or volunteer disposal. Child Name:

The session is held at:.....

My child will be picked up atAM/PM. And Drop off at Home by:.....AM/PM.

In order to ensure the Health and Safety of your child and staff and/or volunteer, we require all parents to sign the agreement below. Refusal to do so will unfortunately mean we are unable to transport your child to and from the session, which may result in your child being unable to attend.

- I understand that if my misbehaviour in any vehicle may result in that child not being able to attend the session.
- Our staff member and/ or volunteer will ensure that your child(ren)wears the correct seat belt and/or child restraint throughout the journey in accordance with Government requirements. If your child refuses to use the required equipment the mini bus / car will be stopped and your child / young person may not be able to be transported again in the future
- I will ensure that my child is aware of the above restrictions and I give my authorisation for the driver/ staff member or volunteer to enforce the importance of how to behave whilst being transported.
- If your child continues to misbehave whilst being transported the staff member and/or volunteer will automatically bring your child home resulting in them not being able to attend the session. Possibly jeopardising their future attendants.
- Your child(ren) will only be transported after the session to their home address, if you know you will not be at the home address on the day or at the time stated above then your child(ren) will not be able to attend the session. Aspired Futures will not be able to change these arrangements unless it is an emergency situation. If, when the Aspired Futures staff member and/or volunteer arrives to drop your child off after the Aspired Futures session and either you their parent/carer or another pre organised appropriate adult (not anyone under the age of 16 years) are not at home your child will not be left, they will be brought back to the Aspired Futures Programme Manager or Programme Assistant, they will try to contact you by phone, if they are not able to contact you then this may result in Aspired Futures having to follow their Child Protection Policy & Procedure.
